

State of Alaska FY2022 Governor's Operating Budget

Department of Education and Early Development Mt. Edgecumbe Boarding School Results Delivery Unit Budget Summary

Mt. Edgecumbe Boarding School Results Delivery Unit**Contribution to Department's Mission**

To provide a comprehensive residential high school for Alaskan students

Core Services

- Provides a quality secondary educational alternative in a residential setting for students from more than 100 Alaska communities;
- Offers both academic and residential services to approximately 400 students; and
- Maintains a tradition of providing a comprehensive academic, residential, and recreational program enabling students to become successful, productive, and responsible Alaskan citizens.

Major RDU Accomplishments in 2020

- Continued implementation of adopted strategic plan;
- Maintained education during the COVID-19 health pandemic and planned for school with COVID-19 mitigation;
- Academic growth rates for the school year fall in the top 10% of the nation (Northwest Evaluation Association (NWEA) Measure of Academic Progress (MAP) data);
- 94 students graduated;
- Provided on-going preventative maintenance and facilities repairs; and
- Operated the Mt. Edgecumbe High School (MEHS) Aquatic Center on a limited basis for students.

Key RDU Challenges

- Provide capacity (time, training, and personnel) to implement or prepare for the implementation of standards, assessments, teacher evaluation process, new curriculum, current best practices, and completing improvement plans;
- Address on-going preventative and general maintenance, and capital improvements for an aging campus, most of which was constructed between 1939 -1945. Most of the classroom and residential facilities constructed in 1988 are showing a significant need for capital improvements;
- Identify operational and maintenance funds for the MEHS Aquatic Center; and
- Provide distance education without consistent internet in students' communities.

Significant Changes in Results to be Delivered in FY2022

- MEHS will adopt a new Strategic Plan;
- MEHS will work with the University of Alaska Southeast and other partners in developing a sustainable dual credit program to broaden access to college credits to MEHS high school students;
- MEHS will review the System for School Success Report and other data for meaningful opportunities for school improvement and use in admissions; and
- MEHS will work towards a programmatic and operations funding plan to utilize the MEHS Aquatic Center in regard to instructional and recreational use, as well as programmatic use for other stakeholders.
